Qmax Composites

<http://www.qmaxcomposites.com/>

We are among the reputed organization of this domain, actively involved in manufacturing and supplying a wide range of Industrial Products for our valuable clients.

Profile

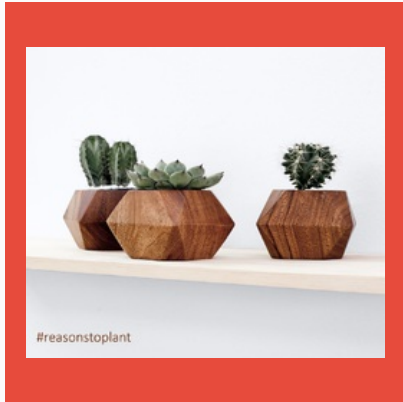

Since our commencement in the year **2012**, we, "**Qmax Composites**", are an illustrious entity, engrossed in manufacturing and supplying a comprehensive range of Industrial Products. Our offered range is inclusive of FRP Tanks, FRP Dental Chair Items, FRP Electronic panel board, FRP Auto Components, FRP Military boxes and FRP Piping for Automobile Industry. Offered products are widely acknowledged across the market for their features like high strength, sturdy construction, heavy load bearing capacity and low maintenance. Owing to the above mentioned features, these products are highly demanded by our clients across the globe.

We are supported by a team of qualified and dexterous professionals, which assists in accomplishing our business tasks in an effective manner. Our team is appointed through rigorous assessment of their skills, working experience and knowledge. Well-versed in their respective area, this team never compromises with the quality of offered products. To manufacture the offered products, our professionals make use of finest-grade raw materials and allied components that are sourced from the reliable and trusted vendors of the market. Apart from this, with the help of our skilled team, we have been capable to provide customization options to our customers. All the business tasks are carried at our infrastructure facility, which is parted into different units for hassle-free manufacturing process.

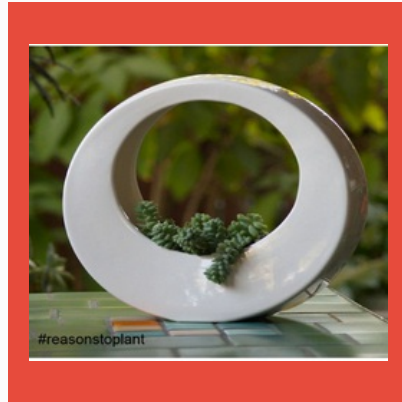

Under the valuable guidance of our mentor, '**Mr. Rakesh Kumar**', we are growing day by day in this domain. Owing to his rich industry experience and deep knowledge of this field has helped us to meet the exact demands of our valuable clients in a best possible manner.
